8. The allegations to which Defendant admitted, as fully set forth in the petition, are:

**Violation  
Number**

**Nature of Noncompliance**

- 1 **"The defendant shall refrain from any unlawful use of a controlled substance."**

Mr. Dugard tested positive for marijuana and methamphetamine on June 21 and 22, 2021. He admitted to using both marijuana and methamphetamine to produce the positive results. Mr. Dugard also tested positive for amphetamine on July 8, 2021, and positive for amphetamine and marijuana on July 27, 2021.

and Possession of Paraphernalia (misdemeanor). As of the writing of this report, no additional court dates have been set, and Mr. Dugard remained in the Jackson County Jail.

- 3        **"The defendant shall notify the probation officer within seventy-two hours of being arrested or questioned by a law enforcement officer."**

The Magistrate Judge, having considered the factors in 18 U.S.C. § 3553(a), and as more fully set forth on the record, finds that the Defendant VIOLATED the conditions in the Petition, that his supervised release should be REVOKED, and that he should be sentenced in each case to the custody of the Attorney General or his designee for a period of 21 months with no supervised release to follow. The federal terms of imprisonment shall be served concurrently. The Court recommends that Defendant's federal term of imprisonment run consecutive to any state sentence the defendant is serving.

The parties are hereby notified that the District Judge may reconsider any matter assigned to a Magistrate Judge. The parties waived the fourteen-day period to object to the Report and Recommendation.
